The Curriculum Council has combined its two websites into one to make it easier to find information.

The address is www.curriculum.wa.edu.au. People who try to access the old WACE website will be automatically redirected to the upgraded Curriculum Council site.

Information on the two sites was reviewed and updated or deleted as necessary in preparation for the launch of the upgraded site.

If you are unable to find what you want or you find some outdated information please let us know through info@curriculum.wa.edu.au. We also invite your general comments and suggestions about the site's user-friendliness.
