Teachers of Music D632 and E632 are reminded that Music Project submissions are due to the Curriculum Council no later than Monday 31 March (week 9 of Term 1).

Submissions will be reviewed in the final week of Term 1, with letters of acceptance or requests for clarification to be sent early in Term 2. To ensure appropriate comparability between different submissions and to manage time constraints if revisions are required, late submissions cannot be accepted. The guidelines for project submissions are available on the Curriculum Council website at www.curriculum.wa.edu.au/pages/syllabus_manuals/volumes/V_arts/support_docs/pdf/54938_1.pdf.

This document provides valuable information about the presentation of the project and the interview process. Completed project submissions should be sent to Jane Alderson at the Curriculum Council.
