

Did you get your WACE Manual?

Contact:

George Temple (08) 9273 6703

george.temple@curriculum.wa.edu.au

Schools should have received their copies of the revised WACE manual. The manual provides high school administrators and teachers of senior secondary courses with the policy, procedures, guidelines and requirements for the achievement of the Western Australian Certificate of Education.

This document replaces the WACE Manual 2008, sent to schools in July 2007.

If your school did not receive a copy email the address above.

The manual is also available on the Council's website at

<http://www.curriculum.wa.edu.au/internet/Communications/Publications/>.
