Schools are advised that there is an omission in the Applied Information Technology course offerings for 2008/09. On page 63 of the WACE manual it shows all course units for AIT as being available in 2008 but not in 2009. This is not correct.

In 2009, all units for AIT will be available for teaching – PA, PB, 1A, 1B, 1C, 1D, 2A, 2B, 3A and 3B.
