joanne.taggart@curriculum.wa.edu.au

Examination support materials for Physical Education Studies are being revised by an expert panel following feedback from experienced teachers and curriculum consultants. The revised materials will be made available to all schools before the end of Term 2.

Advice will also be provided about the skill performance and the conditioned performance sections of the examination.

Applications from students to be examined in an unlisted sport closed on 9 May, 2008. All applications are being considered and schools with students involved in this process will be notified of the outcome of their application by 23 May, 2008.
