The final date for feedback on the following four VET industry specific courses is **Friday 13 June**.

- Automotive (VET industry specific)
- Business Services (VET industry specific)
- Construction (VET industry specific)
- Information Technology (VET industry specific)

The draft courses with survey questions for each course can be found under the course names on the Council website at

http://www.curriculum.wa.edu.au/internet/Senior_Secondary/Courses/.

Two more VET industry specific courses, Community Services and Primary Industries, are being developed and will be available on the website for feedback in July.
