English units 2C and 2D

English units 2C and 2D have been developed in response to English teacher jury recommendations. These units have now been accredited by the Curriculum Council for implementation in 2009.

Schools may access details of these units, including possible pathways for English units, under the 'Syllabus' heading at

http://www.curriculum.wa.edu.au/internet/Senior_Secondary/Courses/English/.

Draft Stage 2 and Stage 3 English examinations for 2009

Schools have been posted draft copies of Stage 2 and Stage 3 examinations and design briefs for comment. It should be noted that these relate to planning the Stage 2 and Stage 3 separate examinations in 2009.

The 2008 exam will be based on the 2008 sample examination sent to schools in Term 1.

Feedback on these documents can be sent to the Curriculum Council via the links at the bottom of the 'Jury report and responses' section of the English course page at

http://www.curriculum.wa.edu.au/internet/Senior_Secondary/Courses/English/.

This feedback will be considered by the examination panel in developing final sample papers and design briefs to be distributed in Term 4, 2008. These final sample papers will be the template for the 2009 examinations.
