

Professional development: registrations for 13 October

Contact:

pdenquiry@curriculum.wa.edu.au

Teachers planning to attend Curriculum Council professional development on 13 October are reminded that they need to register by Monday 1 September. A link to the registrations page is available at <http://www.curriculum.wa.edu.au/>.

Teachers are reminded that they may do their PD at school with colleagues or alone if they wish. Teachers making this choice do not need to register.

The viability of country sessions will be confirmed by Friday 5 September, based on the registrations received.

Principals and PD contacts at each school will receive a list of their staff who have registered to attend the PD.
