Schools are advised that from next year, 2009, and beyond, the practical components of examinations in Drama Studies, Dance, Music, Aviation and Physical Education Studies will be held during the first week of the Term 3 holidays: Saturday 26 September to Sunday 4 October inclusive. This will involve the use of weekends and the Queen's birthday public holiday for examinations, but will enable schools to schedule their own examinations for the second week of the school holidays.

Media Production and Analysis submissions will be due at the Curriculum Council on 23 September; Art visual diaries will be due on 20 October. Practical examinations in Languages (including English as an Additional Dialect/Language) and Aboriginal and Intercultural Studies will be conducted between Saturday 17 and Friday 30 October.

The changes have been made to accommodate requests from schools.
