Schools will receive personalised examination timetables for candidates by week 10 of term 3 (22 September). These timetables detail the subject/course, location and time for each examination in which the student is enrolled. It is important that students receive, read and check the timetable.

The personalised examination timetable must be signed by the student and taken to every written examination.

Schools will be able to reprint all or individual timetables through the Curriculum Council's database (SIRS). The path is Reports>Other reports>Report type – Students>Reports – CSE063 Published Personalised Examination Timetable.
