

VET industry specific courses implementation: information session

Contact

Jeanette Dalla-Costa (08) 9273 6310

jeanette.dalla-costa@curriculum.wa.edu.au

An information session outlining the procedures for implementing new VET industry specific courses in 2009 will be held for relevant teachers, administrators and associated VET coordinators. Attendance is encouraged.

Details of the VET industry specific course information sessions will be sent to known participating schools through the principal.
