Students will be able to nominate for subject exhibitions and certificates of distinction in 27 wholly school assessed subjects in 2009. Awards are available in subjects that have an average enrolment of at least 100 students during the previous two years (counted in October).

Details of the process for determining recipients of these awards will be available to schools by 29 April 2009. Information and nomination details will be available on the Curriculum Council website (www.curriculum.wa.edu.au).

WACE courses (non-examination candidates)

In 2009, students may be eligible to receive an award in some WACE courses (there must be at least 100 Year 12 students who are enrolled in two units and are non-examination candidates in that course.) Selection criteria will be based, where possible, on the more practical aspects of the courses. Schools will be advised in June of the courses eligible for awards, specific selection criteria and the selection process.
