jeanette.dalla-costa@curriculum.wa.edu.au

Ten industry specific courses have been accredited by the Curriculum Council and are ready for implementation in 2009.

They are:

- Automotive
- Business Services
- Community Service
- Construction
- Creative Industries: Art
- Creative Industries: Media
- Hospitality
- Information Technology
- Primary Industries
- Tourism

Copies of these VET industry specific courses are available on the Council website at http://www.curriculum.wa.edu.au/internet/Senior_Secondary/Courses.

An information session outlining the procedures for implementing VET industry specific courses in 2009 was held on 26 November. Interested VET teachers who were unable to attend this information session should contact a VET officer:

Gail Manton (08) 9273 6307
