The Council is seeking feedback from Physical Education Studies teachers on proposed revisions to the course, which have been drafted by the reference group following teacher jury recommendations.

The revised syllabus, with an accompanying document that provides a scope and sequence of the syllabus content, is available on the course page of the Council website at

[http://www.curriculum.wa.edu.au/internet/Senior_Secondary/Courses/Physical Education Studies](http://www.curriculum.wa.edu.au/internet/Senior_Secondary/Courses/Physical_Education_Studies).

Teachers can provide feedback using the survey form available on the same web page. Heads of Department are requested to review the documents with their staff and to complete a survey form representing the views of their faculty.

Heads of Department or school representatives are invited to bring the feedback from their school to a one-day forum, where the proposed revisions will be discussed. This forum is on Friday 12 December at Edith Cowan University, Mount Lawley from 8.15am–3pm in Lecture Theatre 17.157 (Building 17).

Should it not be possible for the school to be represented on the day, survey forms can be emailed or faxed to Karen Nguyen at karen.nguyen@curriculum.wa.edu.au or 9244 3201. This feedback will be included in the discussions.
