The Physical Education Studies 2009 practical examinations will be in the same 14 sports that were examined in 2008 (see list below). To support students in preparing for the examinations, schools will receive a complete set of DVDs and examination booklets, which demonstrate the essential skills and drills in each of the 14 sports. These packages will be sent to schools early in Term 1.

In 2009, students will be able to select the sport in which they wish to be examined from the 14 sports. Requirements for students wishing to be examined in an unlisted sport will be provided to all schools early in 2009.

The arrangements for 2010 will be confirmed early in 2009 after a review of the 2008 examination processes is completed.
