In 2008, following consultation with Principals it was agreed that practical and written WACE examinations would be scheduled according to the following principles:

- Written examinations – in general, will commence on the first working day in November and continue for 20 working days.
- Practical examinations – will commence during the first week of the Term 3 holidays and include the weekends and public holiday. No practical examinations would be scheduled during the second week of the Term 3 holidays, enabling schools to run their examinations.
- Large candidature examinations will be scheduled in the first two weeks of the examination period.

This ensures that Year 12 students have the maximum amount of teaching time available before exams commence.

The written WACE examination dates for the next three years will be:

2010	Monday 1 November – Friday 26 November
2011	Monday 31 October – Friday 25 November
2012	Thursday 1 November – Wednesday 28 November

The Curriculum Council has informed the Office of Crime Prevention, the agency that coordinates leavers' week, of the above dates.
