Kris Stafford (08) 9273 6731

kris.stafford@curriculum.wa.edu.au

A copy of the revised Physical Education Studies syllabus for teaching and assessment for Year 11 students in 2010 and Year 12 students in 2011 has been sent to all secondary schools.

The revised syllabus is also available on the Council website at http://www.curriculum.wa.edu.au/internet/Senior_Secondary/Courses/Physical_Education_Studies.

This syllabus will be examined for the first time in 2011.

A range of support documentation will be developed and placed on the Curriculum Council learning and support extranet to help teachers with implementation of the syllabus.
