Nominations for the 2009 wholly school assessed subject/course awards close on Monday 14 September 2009. If your school intends to nominate students for these awards, please note that the following requirements must be met:

- Both sides of the nomination form are completed, including signatures
- Information as described on the relevant subject/course information sheet is provided
- The completed nomination form is mailed or hand-delivered so that it is received at the Curriculum Council no later than 5pm on Monday 14 September 2009. Faxed or emailed nominations cannot be accepted. No late applications will be accepted.

Please be advised that if the above requirements are not met, the nominations will be deemed ineligible.

The selection process will be conducted during the week 19–23 October 2009. Due to the large number of interviews scheduled for this week, the Council is not able to make changes to students' allocated interview times. Where student materials are submitted in place of an interview, materials are due the previous week. Students and their teachers will be advised by letter of the relevant dates. These letters will arrive during the October school holidays.

Schools should refer to the website for further details and copies of the subject and course information sheets. They are available at
