The Curriculum Council prefers students to be examined in one of the 14 listed sports. However, if a student has strength in a sport other than the 14 listed sports, then he/she may apply to be assessed in this sport and their application will be considered by the examining panel. Application forms are available on the Council website at

[http://www.curriculum.wa.edu.au/internet/Communications/Application\\_Order\\_Forms](http://www.curriculum.wa.edu.au/internet/Communications/Application_Order_Forms).

Applications close on **Friday 1 May**. Students will be informed of the examining panel's decision by Friday 29 May.

Students whose applications have been approved will be provided with the requirements of their submissions at the end of Term 2. Practical submissions from students must be delivered to the Council no later than **Wednesday 23 September**.

A student with approval to be examined in an unlisted sport can change her/his mind and instead elect to be examined in one of the 14 listed sports. The Curriculum Council must be advised of this change by **Friday 7 August**. A student cannot opt to be examined in an unlisted sport after the closing date of **Friday 1 May**.
