Music project submissions were due by 31 March 2009. To clarify the submission process, teachers should refer to the revised 'Guidelines for project submissions' at www.curriculum.wa.edu.au/internet/_Documents/Subject_Syllabus/MUS+Guidelines+for+Project+Submissions.doc.

- In 2009, only Music E632 will be examined
- In 2010, Music Stage 2 and Stage 3 will be examined.

Submissions will be reviewed in the final week of Term 1, with letters of acceptance or requests for clarification to be sent early in Term 2. To ensure appropriate comparability between submissions and to manage time constraints if revisions are required, late submissions will not be accepted.

Completed project submissions should be sent to Wendy-Cara Dugmore at the Curriculum Council, 27 Walters Drive, Osborne Park, WA 6017.
