* Standardised marks for Japanese: Advanced and Modern Greek are not provided as the raw examination marks were not standardised and are not comparable to other subjects.

Note: The raw marks which are standardised to 35, 50, 65 and 75 are those of students whose mark is higher than 10, 30, 70 and 90 per cent respectively of other students sitting the examination. A raw mark of 0 becomes a standardised mark of 0, and the highest raw mark is standardised to 100. Having determined these standardisation points other raw examination marks may be transformed to standardised marks by linear interpolation.
