

## Community service program log book order form

From 2009 it will be a requirement of the Western Australian Certificate of Education that students complete a minimum of 20 hours of community service. Students may complete their community service during Year 10, 11 or 12.

The Curriculum Council has developed and produced a log book for recording service hours for the community service program. These are provided free of charge and can be ordered as required.

Alternatively, schools may choose to develop an alternative service record or incorporate the essential information into an existing booklet.

Please indicate the number of log books required by completing the order form below:
