
English — Suggested Text List

The availability of the resources in this list cannot be guaranteed: some may be out of print, but are still valuable if teachers can locate them in their department or library. The following resources are suggested rather than prescribed. Teachers may substitute comparable works for any of these suggested. The stages indicated are suggestions from experienced teachers. (*Asterisk indicates Australian text).

Teachers teaching Stage 2/3 units and preparing students for WACE examinations should choose texts from the lists below in accordance with the information provided in the 'Texts' section of the English Syllabus, page 6.

Further texts may be found on the CMIS (Curriculum Materials Information Services) website
